"The sky is open, to those who have wings"

BIRDER'S NETWORK™

A Birding Network - for everyone, everywhere

Welcome to the Birder's Network™

Join Birder's Network™ today and help bring beginners and experts together to learn and discover about birds worldwide. At Birder's Network™, our aim is to connect bird enthusiast everywhere to share their knowledge about birds in their local area. You don't have to be a bird expert to be part of this network. All experience levels are welcome, and membership is FREE!

Here are just a few benefits when you join:

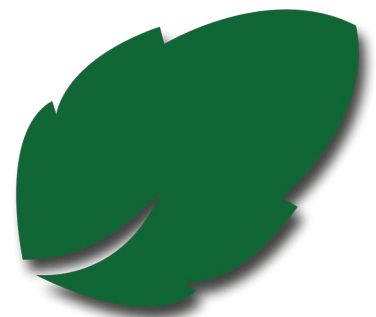

- Connect with fellow bird watchers, both locally and globally
- Communicate with other bird enthusiast to discover and learn about birds in their area
- Use your Profile Page as a Bird Watching Diary
- Create or join a birding network group to further advance a specific birding cause or topic
- Post and announce birding events in your area
- Ask questions and give answers on birding related topics
- Post stories or blogs about your birding experience
- Promote your own local birding organization
- Add or link birding videos
- Chat with bird enthusiast around the world in real time
- Help the scientific community by being an extra set of eyes on the ground...and much, much more!
